Summary: I'm going to be writing a new story called Rising Fire and, as the title suggests, I need some OCs. So please read and review! There are more details inside.

Rising Fire - OCs Needed

****Hello fellow Warriors Fans! As the title suggests, I need OCs for my new story Rising Fire. Don't worry, I'm still going to write for my other stories - I'll be posting a new chapter for Bluestar's Prophecy-A Third Sister's POV and The Lost Alderaanian Princess tomorrow (4/8/16). I'm not sure for Firestar's Prophecy now however since I now have a serious case of writer's block for what to write next for the first chapter, so if anyone wants to lend a hand that would be great! :) ****

****Okay, so down below are the number of cats I want for SkyClan (they never left the old forest in my story); some will be from Modern SkyClan in Firestar's Quest. The question marks will indicate that there is no OC named yet. Also when you're leaving a review for an OC or OCs, please leave this information: ****
